How does our Seasonal Rental program work?

Our rental program begin in September, and runs through April.

- Each customer is personally measured and sized by our experienced staff.
- All junior rentals come with free lift tickets for ski resorts all over the east coast!
- The equipment is yours until April 15th. Can't make it back on time? Just give us a call and we will extend your lease, with no extra charge.
- We take an imprint of your credit card for security. You only pay what it cost to rent! When you return the rentals, we return the imprint. No hidden fees!

Do you own your equipment?

Stop by our workshop to have your equipment serviced.

- All work done on premises by our professional technicians.
- Last minute trip? Drop off your equipment for same or next day service!
